

The revival of anatomy in gynaecology

Citation for published version (APA):

Koppes, D. (2022). *The revival of anatomy in gynaecology: The known, need to know and unknown*. [Doctoral Thesis, Maastricht University]. Maastricht University. <https://doi.org/10.26481/dis.20221110dk>

Document status and date:

Published: 01/01/2022

DOI:

[10.26481/dis.20221110dk](https://doi.org/10.26481/dis.20221110dk)

Document Version:

Publisher's PDF, also known as Version of record

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

providing details and we will investigate your claim.

1. Meten is niet altijd weten. [*dit proefschrift*]
2. De opleiding tot gynaecoloog kan worden ingekort wanneer we de anatomie weer zouden omarmen. [*dit proefschrift*]
3. Ons huidige niveau van anatomische kennis is een gevolg van het verlaten van tradities. [*dit proefschrift*]
4. Opereren zonder adequate anatomische kennis berust op de Pipi Langkous strategie. [*dit proefschrift*]
5. Het is heel makkelijk om iets moeilijker te maken, maar het is heel moeilijk om iets makkelijker te maken.
6. Het niet-pluisgevoel is een diagnostisch instrument waarmee de toestand van de patiënt kan worden ingeschat.
7. Goede dokters kennen alle protocollen, slechte dokters voeren ze allemaal uit.
8. Het leren van anatomie is geen eenmalige afvinklijst. [*dit proefschrift – impact paragraaf*]
9. Karakter wint het van talent als talent geen karakter heeft.
 - *Frank de Boer*
10. You can't let your failures define you, you have to let your failures teach you.
 - *Barack Obama*
11. Leven is als fietsen. Om je evenwicht te bewaren, moet je in beweging blijven.
 - *Albert Einstein*
