van der Meer, R. (2023). *ROMIC: studies on the Role of Ovarian Metastases In Colorectal cancer*. [Doctoral Thesis, Maastricht University]. Maastricht University. <https://doi.org/10.26481/dis.20230511rm>

Document status and date:

Published: 01/01/2023

DOI:

[10.26481/dis.20230511rm](https://doi.org/10.26481/dis.20230511rm)

Document Version:

Publisher's PDF, also known as Version of record

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

ROMIC

Role of Ovarian Metastases In Colorectal cancer

1. The risk of developing ovarian metastases should be regarded as substantial and especially clinically relevant in young females with colorectal cancer. *This thesis*
2. Colorectal ovarian metastases generally show a poorer response to systemic therapy compared to other colorectal metastatic sites; this finding is most likely not attributed to discordances in biomarkers. *This thesis*
3. Physicians should consider prophylactic salpingo-oophorectomy for female patients with colorectal cancer to mitigate the likelihood of developing ovarian metastases or primary ovarian cancer. *This thesis*
4. The benefits of a prophylactic salpingo-oophorectomy in postmenopausal patients with colorectal cancer outweigh the disadvantages. *This thesis*
5. Women with colorectal cancer may benefit from increased awareness for the potential occurrence of ovarian malignancies. *This thesis*
6. A winning effort begins with preparation. *Joe Gibbs*
7. The art of decision making includes the art of questioning. *Pearl Zhu*
8. Crew Resource Management may include listening to your gut. *The CTS team*
9. Beweging brengt inspiratie. *Sylvain Tesson, De sneeuwpanter*
10. Success is not final, failure is not fatal: it is the courage to continue that counts. *Winston Churchill*
