## Discover Trier

Trier is a great experience: few small European cities have so much to offer the visitor. The former Roman capital with its centuries-old buildings, monuments and vineyards can

hardly be described in words. During your summer course trip to Trier we suggest you spend your free time discovering the Porta Nigra, the Cathedral of Saint Peter or the Constantine Basilica, all within easy reach of the venue.

## Social programme

After a day's intensive training, enjoy our varied social programme: the course dinner with

fellow participants from various countries, wine-tasting in the Moselle vineyards, and a tour of the historic city of Trier, the oldest city in Germany, known for its well-preserved Roman and medieval buildings.

## e-Learning

In addition to seminars and workshops, the Academy of European Law also offers a wide range of e-learning courses and e-presentations on the most varied legal areas:
