

# Detection and management of atrial fibrillation

Citation for published version (APA):

Hermans, A. N. L. (2024). *Detection and management of atrial fibrillation: state of art and novel approaches*. [Doctoral Thesis, Maastricht University]. Maastricht University. <https://doi.org/10.26481/dis.20240314ah>

## Document status and date:

Published: 01/01/2024

## DOI:

[10.26481/dis.20240314ah](https://doi.org/10.26481/dis.20240314ah)

## Document Version:

Publisher's PDF, also known as Version of record

## Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

providing details and we will investigate your claim.

## **STELLINGEN**

behorend bij het proefschrift

### **DETECTION AND MANAGEMENT OF ATRIAL FIBRILLATION STATE OF THE ART AND NOVEL APPROACHES**

1. The diagnostic accuracy of mobile health devices depends on the technology used, method of measurement and the way of data collection. (dit proefschrift)
2. Photoplethysmography can accurately assess heart rate during atrial fibrillation to guide rate control interventions. (dit proefschrift)
3. The TeleCheck-AF on-demand mobile health infrastructure allows comprehensive remote atrial fibrillation management through teleconsultation. (dit proefschrift)
4. Older age is not an exclusion criterion for the use of mobile health. (dit proefschrift)
5. Pulse rate determines symptoms during atrial fibrillation and non-atrial fibrillation photoplethysmography recordings. (dit proefschrift)
6. What is not started today is never finished tomorrow. (Johann Wolfgang von Goethe)
7. A goal should scare you a little, and excite you a lot. (Joe Vitale)
8. Een optimistische houding, is het geheim van succes. (Dalai Lama)
9. In het hart van elke moeilijkheid ligt een kans. (Albert Einstein)
10. Doe bûs mien thoes doe bûs van mich, Kessel mien dörp ich haoj van dich. (Volkslied van Kessel 'Mien Dörp')

**Astrid Nicole Louise Hermans**
