

# Anterior cutaneous nerve entrapment syndrome : epidemiology and surgical management

## Citation for published version (APA):

van Assen, T. (2015). *Anterior cutaneous nerve entrapment syndrome : epidemiology and surgical management*. Maastricht University.

## Document status and date:

Published: 01/01/2015

## Document Version:

Publisher's PDF, also known as Version of record

## Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

## **Anterior Cutaneous Nerve Entrapment Syndrome Epidemiology and surgical management**

1. 'Onbekendheid rondom het 'Anterior Cutaneous Nerve Entrapment Syndrome' (ACNES) leidt soms tot de foutieve diagnose "functionele buikpijn".  
(*dit proefschrift*)
2. 'Bij ACNES patiënten lijkt een chirurgische neurectomie superieur ten opzichte van andere therapieën, ook op de lange termijn.' (*dit proefschrift*)
3. 'ACNES komt veel vaker voor dan gedacht.' (*dit proefschrift*)
4. 'De diagnose ACNES kan goed gesteld worden door (letterlijk) de vinger op de zere plek te leggen.' (*dit proefschrift*)
5. 'Veel intern-chirurgische problematiek is van segmentele aard.' (*Rudi Roumen*)
6. 'It is far more important to know what person the disease has than what disease the person has.' (*Hippocrates, c. 460 BC – c. 370 BC*)
7. 'Science is like the Tour de France... It waits for no-one.' (*Marc Scheltinga*)
8. 'Door het onnodig lange lijden van ACNES patiënten, lijdt de samenleving financieel gezien mee.' (*dit proefschrift*)
9. 'Je gaat het pas zien als je het door hebt.' (*Johan Cruijff*)
10. 'Als je doet wat je deed, dan krijg je wat je kreeg.' (*Albert Einstein*)
11. 'Wie niet gelooft in wonderen, is geen realist.' (*Herman Finkers*)
