## Document status and date:

Published: 01/01/2014

## DOI:

[10.26481/dis.20140214ag](https://doi.org/10.26481/dis.20140214ag)

## Document Version:

Publisher's PDF, also known as Version of record

## Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

## Let's talk about sex!

### Sexual health and sexual dysfunction among adolescents

1. Het openlijk bespreken van seksualiteit en seksuele disfuncties is nog altijd een taboe. (dit proefschrift)
2. De relatie tussen walging en seksueel functioneren zou een prominentere rol moeten krijgen binnen het onderzoek naar het ontstaan en de instandhouding van seksuele disfuncties. (dit proefschrift)
3. Als er gesproken wordt over seksuele gezondheid zou iedereen, inclusief onderzoekers, verder moeten denken dan SOA's en ongewenste zwangerschap. (dit proefschrift)
4. Ook al is er geen verschil in klinisch effect; een behandeling met de hoogste kosteneffectiviteit is de beste. (dit proefschrift)
5. Het behandelen van jongeren met seksuele problemen is op zichzelf al kosteneffectief aangezien klachten kunnen worden verholpen voordat het diepgewortelde problemen worden.
6. Bezuinigingen binnen de geestelijke gezondheidszorg, ook binnen de seksuologie, zullen uiteindelijk meer kosten dan dat ze opleveren.
7. A new study reveals that men like to cuddle. Another study reveals men will say anything to get into bed with a woman – Stephen Colbert
8. Subsidie verstrekkers zouden meer vertrouwen moeten hebben in de capaciteiten van een onderzoeker.
9. I sometimes think that the act of bringing food is one of the basic roots of all relationships – de 14<sup>e</sup> Dalai Lama
10. Life is uncertain. Eat dessert first – Ernestine Ulmer
