Published: 01/01/2015

DOI:

[10.26481/dis.20150522rk](https://doi.org/10.26481/dis.20150522rk)

Document Version:

Publisher's PDF, also known as Version of record

Please check the document version of this publication:

- A submitted manuscript is the version of the article upon submission and before peer-review. There can be important differences between the submitted version and the official published version of record. People interested in the research are advised to contact the author for the final version of the publication, or visit the DOI to the publisher's website.
- The final author version and the galley proof are versions of the publication after peer review.
- The final published version features the final layout of the paper including the volume, issue and page numbers.

Health Technology Assessment in Epilepsy

Economic Evaluations and Preference Studies

Reina Van Bilsen – de Kinderen

Maastricht, 22 mei 2015

1. Kwaliteit van leven: Beter een onvolkomen waarheid dan willekeur. *(dit proefschrift)*
2. Bijwerkingen zijn geen bijzaken als het gaat om anti-epileptica. *(dit proefschrift)*
3. Ondanks positieve ervaringen van deelnemende professionals, patiënten en hun ouders/verzorgers is er nog geen wetenschappelijk bewijs voor de kosteneffectiviteit van het ketogeen dieet voor kinderen met refractaire epilepsie. *(dit proefschrift)*
4. Waar in andere onderzoeksgebieden HTA al gesneden koek is, is de KOEK-studie een van de weinige economische evaluaties binnen de epilepsie. *(dit proefschrift)*
5. One who is confronted with the task of controlling seizures in a person with epilepsy grasps at any straw. - *Lennox, 1928*
6. We have health technology that saves lives. Now we need health technology that saves money. - *inspired by Tom Miller, 2015*
7. Essentially all models are wrong, but some are useful. - *George Box, 1987*
8. Een toegankelijke, informatieve en mooie website kan bijdragen aan het succes van het ketogeen dieet. *(dit proefschrift)*
